## Contributor's Statement

I, the undersigned, hereby certify that the academic article, entitled

..... ,

due to be published in the ***Bezpieczeństwo. Teoria i Praktyka (Security: Theory and Practice)*** journal (hereinafter: Journal), issued by Andrzej Frycz Modrzewski Krakow University (hereinafter: University), has not been previously submitted to any other editorial office as a manuscript, and has not been otherwise published.

I also represent and warrant that the academic work submitted in this form has been duly approved by all the co-authors, and that the relevant information has been provided within the text on the sources of funding, and/or a possible conflict of interest.

Once a manuscript has been approved for printing, the contributor(s) shall expressly agree to gratuitously assign to University, during the full term of copyright and any extensions or renewals, all copyright in and to the article, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the article in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.

The contributor grants/does not grant\* the University a non-exclusive, gratuitous and temporally unlimited licence to include the above mentioned academic article in the University's repository.

The contributor consents for the use of his/her article in the following scope:

- a) making by the Licensee a digital copy of the article in a selected standard,
- b) including the article in the University's repository, and making it publicly available on the Internet,
- c) making multiple copies of the article by digital and/or optical means.
